

It's June Dairy Month!

We'd like to thank all of our hard working dairy farmers & their families for all you do. We all know planting & harvest season, cows calving, etc. makes for many late nights, missed family meals, events & more. So thanks, you are the backbone of our country!

As part of our salute to dairy farmers we will be having a dish of ice cream for just .49 cents all month long, butter on sale, ice cream, cheeses & milk will be 10 % off. Each Wednesday during June we will be either having free ice cream or grilled cheese sandwiches from 11:00 am until 1:00. We look forward to seeing you! Stop in all month long to register for We-Fest tickets from our friends at 98.1 Country!
