

January 2020

Yes! We made it into the New Year!

2019 certainly had its struggles. The weather, the rains, the prices! We lost loved ones, new babies were born, people retired, new folks have been hired. We continue to grow here at the Gilman Coop Creamery and we look forward to you growing along with us! We are looking forward to 2020 as being a year of positive change, growth, new friendships, as well as never forgetting those who have gone before us. Let's learn from one another, prosper & make the world around us a better place to be. We do have some new & exciting things that will be happening soon! More details to come as they are available! Exciting!!

***Purina** is offering their Availa 4 tubs for just \$105.75. This mineral tub supports health, growth & reproduction. It's weather resistant, comes in its own mineral feeder & has 14 essential cattle minerals. A great addition to your feeding routine.

***ADM** has a product called Cellarator Turbo that is great for all species, keeping their immune system in check during times of stress such as weaning, receiving, injury/illness, transportation, vaccinations, breeding or calving. Purchase 4 bottles & get the drenching gun FREE! We're talking cow, horses, beef cattle, sheep, goats, etc. Keep them healthy!

Animals are much like people, they need to be fed a complete & balanced diet. Always make sure you are providing the following so your animals are healthy, happy, comfortable & making you money:

1. Water - always keep fresh water plentiful. Water is crucial during winter months. Without it you'll be risking cold stress, & dehydration which really impacts cattle health.
2. Shelter: Provide a good source of shelter. Keep them out of the mud. Mud is a breeding ground for hoof rot & thrush. Consider bringing in a load of gravel or wood chips.
3. Dairy cattle: Keep these girls comfortable. Consider using an udder cream to keep them from getting cracked or chapped udders. Don't let them suffer from udder ailments.

*Stop in and get your propane tanks filled at the lowest prices around! We also carry propane tanks, as well as propane accessories.

*Shop our new Rocky boots - 20% off introductory sale!

Looking forward we will be having an ADM Heifer meeting here on Tuesday Feb. 4th at noon. More details to come. The St. Cloud Farm Show is Feb. 25th & 26th. Follow us on Facebook, Instagram & Twitter!

Stay healthy, stay warm! Gilly & the gang.
