## Concentrate on the beauty spring brings!

What is your favorite thing about spring? I'm betting a lot of us are looking at life a lot different this year. We'll welcome mud in our homes brought in by friends & family, we'll appreciate the smell of fresh dirt even more, and hopefully never take anything for granted and to count our blessings more than complaining.

As always, we are here for you. We always pass down any savings we get unto you & this month is no different. We are offering 15% off all in stock ladders (in case you want to move up in the world)! Chicken supplies are 15% off, Chick starter & grower is \$13.00 for a 50 lb. a bag, small & medium flake wood shavings are now just \$4.49! It might be a good time to start raising your own chickens, and planting your own gardens. We've got plenty of seeds you can start right now & transplant later, and chick orders are still coming in. Give that some thought. Fresh canned veggies in the fall, fresh eggs & farm raised chicken. Just like Grandma used to do!

Looking for a great deal on a rock bucket? We've lowered the price on our Virnig 66" buckets to \$1175.00 & the 72" to \$1200.00!

**Feedings vs. Pushups:** For the longest time we were told "Feed once a day & pushup" regarding our milk cows. Increasing dry matter & multiple feedings per day has shown to drive up dry matter intake & increase milk production. The results coming from the farms doing this are very impressive! Please check out our website or our Facebook page to read the whole article regarding this practice.

**Oil Sale:** Check out our oil sales this month! Just in time for planting season!

Stay safe & stay healthy! Gilly & the gang.
